COUNCILMEN WILL BE AFFECTED BY NEW AMENDMENTS

Three Will Serve Longer Than Regular Terms owing to Constitutional Changes.

Not every voter and resident is aware of the extent to which Charleroi is affected by the constitutional amendments adopted by popular vote last fall. There will not be any more spring elections held unless so especially declared by General Assembly, and consequently there will be a general change in municipal affairs. The new law is being put into effect as occasion offers. The election held on February 22 was the last spring election that will be held. By the amendments adopted all terms of city, ward, borough, township and election division officers begin on the first Monday of December, in an odd numbered year. All city, ward, borough and township officers holding office at the date of the approval of the amendments, whose terms of office may end in the year 1911, shall continue to hold their offices until the first Monday of December of that year.

By the preceding paragraph, which is a portion of the schedule adopted along with the amendments, it will be readily seen that the officers whose terms would have ended here next spring will have an extra nine months in which to serve. This affects three councilmen, C. O. Frye, President J. K. He'n and Charles Schmieler. If the school laws are altered to conform with the new constitutional amendments, as they most likely will be, there will be two members of the local school board affected, Ira L. Nickeson and J. M. Hill, who would have to serve from June, 1911, the expiration of their term, until December. If the school laws were not changed it would result in a mixup of the system to some extent, and would prove troublesome for the election officers, if nothing worse.

All the officers including the election officers, and assessors chosen at the last election to offices of two year terms will serve until the first Monday in December, 1911. All officers chosen in February to four year term offices or offices made four years in extent by the schedule, serve until the first Monday of December, 1913. Justices of the peace will serve until the first Monday in December, 1915. The usual term for a justice of the peace will be six years by the new amendment unless there are other provisions in the constitution.

BLUE AND SCARLET ASSOCIATION DANCE

Tonight the Blue and the Scarlet association, composed of members of the Masonic fraternity of this vicinity, will give the third reception and dance at Monessen. The affair will be held in the new Turner Hall, Monessen, and besides dancing there will be cards and refreshments. Music will be furnished by Jenkins' orchestra of Charleroi. The invitations are to Master Masons and their sons under 21 years of age. The committee in charge of the affair is the following men: William Frantz, James B. White, Dr. H. W. Day, W. P. Kirk, J. G. Parke, Jr., J. K. Boyd, G. F. Wright, Dr. E. B. Slotterbeck, A. G. Dunlap, J. D. Chamberlain, Paul E. Teschke, C. S. Duvall, Carey L. Schuck, C. W. Greer, and John S. Duvall.

Miss Samantha Sisley of Fayette City spent yesterday with her sister, Mrs. L. R. Waters.

DONORA MAY HAVE TROUBLE THROUGH ILLEGAL ELECTION

In all probability the election of some officers at Donora will have to be made again, owing to an experience of the same kind that caused Charleroi some trouble last year. The council there met and reorganized on Monday, and proceeded to the election of the various borough officials by secret ballot, which is by constitution illegal. There was a protest by M. Concanon, a councilman, on the election of the police but it went unheeded. Robert Sickles was elected chief, George Ekaitis, John McCable and George Sebreak were elected policemen. Some officers were elected by acclamation, and consequently are valid.

NORTH CHARLEROI STATION ENTERED AND BURGLARIZED

For Trouble Bobber Gets 90 Cents—Officers are Notified.

After doing \$4.13 worth of damage at the North Charleroi station last night or early this morning and taking \$3.99 worth of trouble, a burglar entered and stole 90 cents. The frozen affair was perpetrated when there wasn't any person looking and with all the stealthiness, it is stated, of the biggest bank robbery.

Entry was made through a ticket office window. The burglar climbed on a pile of bricks, conveniently situated, and proceeded to hammer down opposition in the shape of a shutter, and then still finding a circumstance broke it. The window was then unlocked, and the aforesaid burglar crept in. The cash drawer was pried and the bold robber after getting all the "spondulicks" there, peeped around looking for a stray penny. Apparently there were none and although much disappointed, it is thought, the fellow, disappeared. Officers were notified and are diligently as well as stealthily searching for clues.

Colonials Overwhelm Pittsburg Deaf Mutes

The Colonial basketball team overwhelmed the Deaf Mute team from Pittsburg last night, and won the game at the rink by the score of 51 to 16. The game was very much one sided, although very interesting. The lineup:

Colonials—51 Deaf Mutes—16
T. Mangan.....F.....Blackall
L. Riggs.....F.....Durin
Wilson.....C.....Wagner
Oiler.....G.....Mack
E. Riggs.....G.....Bosworth
Field goals—Mangan 8, L. Riggs 4, Wilson 11, Oiler 1, E. Riggs, 1, Blackall 2, Wagner 2. Goals from fouls—L. Riggs 1, Blackall 3, Wagner 5.

Entertains Sunday School Class.

Miss Laura E. Lysle entertained the members of her Sunday school class of the First Presbyterian church at her home on McKean avenue last night. After a pleasant evening had been spent at various games, a light lunch was served. The affair was the first of a series of similar social events planned by the Sunday school class of which Miss Tillie Hopkins is teacher.

ONLY FIFTEEN DAYS REMAIN IN WHICH TO WORK FOR BIG PRIZES

Special Offer of Shears Free an Inducement to People to Subscribe for the Mirror or the Mail.

By V. H. Austin.

Fifteen days is a very short time, and before you realize it the time will be counted in hours and minutes till the close. Even though the time is short it is sufficient for any live one to get out and win. There are always some sprinters in a race of this kind who make a wonderful showing at the start but as the race continues get troubled with the tired feeling and slow down till the steady workers pass them and leave them wondering how it all happened after the contest is a matter of history.

LEADERS TIE.
In the published list of contestants yesterday the race was a tie for first place. Something that you will not

see in a contest very often at this stage of the game. Such a close race at this time is prophetic of the most exciting sort of a finish. Neck and neck at the three quarter pole it is a cinch that the runner with the longest nose will lead at the wire. They are all watching each other like pugilists and office seekers, yet it is all in the kindest spirit. They are all fighting hard, but they are playing fair.

SHEARS FREE.
Pay your subscription to one of the contestants and give them the benefit of your votes, and at the same time receive a pair of shears ABSOLUTELY free. The shears offer is for this week.

Alleged Black Hand Men Are Arrested At Mining Village

After a six-mile chase yesterday during which two foreigners were wounded, three Italians suspected of robbing and trying to wreck the home of Joseph Coluck at Marianna early Tuesday morning were captured at Cokeburg.

The men, all from Pittsburg, are Frank Scatella, aged 22, employed at a Pittsburg bowling alley; Ross Kass 22, a barber and Joe Mount, 28, a laborer. During the fight Mount was shot in the left leg and abdomen.

A fourth Italian was wounded and left a trail of blood. The robbery is thought to be the result of a Black Hand plot.

Ed. C. Drum arrived yesterday from Fredericktown, where for several months he has been engaged in business.

LLANELLY CHOIR TO APPEAR BEFORE TAFT WITHIN FEW WEEKS

The extraordinary musical ability of the members of the Llanelly Royal Welsh choir which appears at School hall tonight in a return engagement, has been the subject of much comment wherever the choir has been heard, and as a result the organization is in great demand. Prof. I. T. Daniel on behalf of the Welsh people of the district, was able to secure the choir again only through his influence with the director and members of the choir.

The choir before its return to Wales is to appear by special request before President Taft for a concert. The singers are recognized to be among the best in the world, and enjoy an international reputation. An almost entirely new program will be rendered in Charleroi, although there have been many requests for the same selections sung at their last appearance here. Prof. Daniel has been requested to have piano solos given, and if he can prevail upon the director and pianist will accommodate the persons making this request.

Stephen Foster's melodies will feature the program tonight, and any admirer of this noted composer's music cannot fail to be pleased.

Seats are being reserved today at Pipers' Pharmacy. The chart will be at School Hall tonight.

Got Second Degree.

The trial of Frank Herman, charged with the murder of H. C. House at Rices Landing last October, ended at Waynesburg yesterday with the jury returning a verdict of murder in the second degree.

Cardon Jameson, a student at Mercersburg Academy, is home for a week's vacation which he will spend with his parents, Mr. and Mrs. W. W. Jameson, of Lincoln avenue.

Prominent Resident of Monongahela Valley Dies of Heart Trouble

William Keys, 62 years old, after a week's illness of heart trouble, preceded by an attack of the grip, died at his home on Washington avenue Wednesday morning 7 at o'clock. The body was taken to Coal Centre today, and the funeral will be held from the M. E. church there Friday morning at 10 o'clock. From Coal Centre the body will be taken to Bellwood, where interment will be.

The deceased is survived by his widow, two sons, Herbert at Coal Centre, and Charles of Charleroi, and one daughter, Mrs. William Crites of Charleroi. He was a well known resident of Charleroi, although having resided here but a comparatively short time. He came with his family from Coal Centre where he had resided for years, and settled in Charleroi, about three years ago.

MONESSEN PASTOR ACCEPTS NEW CALL

Rev. F. J. Howard, who on Sunday resigned as pastor of the St. Paul's Evangelical Lutheran church at Monessen, has forwarded his acceptance of and call to Zion's Evangelical Lutheran church at Litchfield, Ill. He will leave with his wife for that place as soon as possible. In Monessen he succeeded Rev. M. M. Albeck who resigned in December 1, 1909. The call came without solicitation on the part of Rev. Howard. He was a popular Monessen pastor.

Bell Telephone Company Putting Out New Directory

The Bell Telephone company is delivering a new directory containing an up-to-date list of subscribers in Charleroi and vicinity. The following notice appears on the cover of the new book:

"Always call by number, thus avoiding wrong connection, delay and the consequent annoyance. Use the numbers published in this directory."

Local Bell employees state that the number of Bell subscribers has increased so rapidly in the last few months that it is no longer possible for the operators, especially new operators, to remember names and numbers. Consequently the practice of calling by name is sure to result in error and confusion.

In order to avoid wrong connection many calls offered by name will be referred to the Information Operator, who will advise the party calling the telephone number of the person called. Such reference means delay and subscribers will save time by calling by number.

In the new book the second page has been ruled to provide a convenient place in which to write the names and number of parties frequently called. The use of this page will save time in looking up numbers.

BEER CASE CONTINUED ONE WEEK BY REQUEST OF DISTRICT ATTORNEY

The case of C. C. Battaglini and Fabria Baffaello, both of Dunlevy, charged before Justice of the Peace Wilson with the illegal sale of liquor was continued this afternoon upon request of District Attorney G. L. V. Acheson of Washington who was here in the interest of the Commonwealth, until next Friday. County Detective William McCleary is the prosecutor, although Chief of Police C. W. Albright has worked up the case. There is still one man to be arrested in connection with the case, August Bertolotti, formerly of Charleroi. Officials of the Victor Brewing company of Jeannette, from which the beer was said to have been secured, with their attorney, Capt. J. E. Kenan, were here.

SUPERIOR COURT SAYS KLEIN MUST GO TO THE PEN

Could Appeal to the Supreme Court but Will Not Do So.

Captain John F. Klein of Pittsburg will take no appeal to the Supreme Court from the charge of bribery in connection with the selection of city depositories, upon which he was convicted over a year ago. An appeal on the conspiracy case has been forwarded to Philadelphia for Klein along with other defendants, but if success or failure will not affect the result upon the first charge upon which he was convicted and sentenced.

Klein announced his decision yesterday afternoon, following the conclusion of the trial of Detectives Heron, Van Ness and Donovan on the conspiracy charge which he had caused to be brought against them. His statement was later explained by his attorney, John Marron, that it had been decided that the Superior Court's decision finally disposed of his case. On the charge of bribery Klein received a sentence of two years, which he will begin serving in a short time.

Capt. Klein, who used to run his excursion steamer Island Queen and barge Beauty up the river, is well known in Charleroi and all through this section.

KIRK AND CLARK TO HOLD ANNIVERSARY

Kirk and Clark of the Economic Store will celebrate the eleventh anniversary of their advent into Charleroi as a business firm with a big ten-day anniversary sale, commencing Saturday, March 1. It was eleven years ago that this enterprising dry goods firm began business in Charleroi and how well they have succeeded their big three-story building at 510-512 McKean avenue, which the firm erected for their rapidly increasing trade some time ago, is there to attest.

Following their usual custom in past anniversary sales, the firm will distribute free souvenirs to every adult customer attending the anniversary sale Saturday and Monday. This is a beautifully designed Colonial pattern plate, a most acceptable gift. Every department of the big store will contribute to the wonderful under-priced offerings for the anniversary sale, an annual event with the Economic Store that is eagerly awaited each March by the hundreds of patrons of that reliable institution.

CHARLEROI ELKS ELECT OFFICERS FOR ENSUING YEAR

Appoint Committee of One to Look After Arrangements for Attending Convention.

Charleroi Lodge No. 494 B. P. O. Elks last night at their regular meeting elected officers for the ensuing year. W. W. Jameson was appointed a committee of one, to have charge of arrangements for attending the annual convention to be held at Detroit, Mich., the week beginning July 11. It is probable that a number will go from the Charleroi lodge.

The officers elected were: Exalted ruler, Harry C. Hormell; esteemed leading knight, J. Bryant Tussing; esteemed loyal knight, S. K. Long; esteemed lecturing knight, R. J. McKean; secretary, George W. Rish; treasurer, T. R. Eagye; tiler, T. H. Warrenford; trustee, Charles W. Weltner; representative to grand lodge, Roland W. Brown; alternate representative, J. E. Masters.

The Charleroi lodge increased its membership 46 during the past year, about the average number. The membership now totals 402. The lodge which is one of the best known in the United States, is in good shape.

GOOD ATTRACTIONS LAST THREE DAYS

The Colonial Four, who head the very excellent offering at the Coyle Theatre the last half of this week beginning at today's matinee, are without question one of the greatest quartettes now on the vaudeville stage. Many of the Charleroi Theatre goers have seen this clever act at the Grand in Pittsburg where it created so much favorable comment. The new management at the Coyle deserve to be complimented on their success in securing acts of this kind as the crowded condition of the house amply testify to.

DeLoss and Peal, creators of crazy comedy, are laugh producers of the highest order and will offer their latest skit entitled "Just Hot Air." A musical flirtation entitled "A Dickens of a Mix-up" will be employed by Stewart and Earle, who will sing latest songs incorporated in their laughing comedy skit.

An original comedy juggling act by Billy Dale and Our Mule Maude by the Lampe Bros. will complete a program of unusual excellence.

The management has decided to give three shows every Saturday night at 7, 8:15, and 9:30 with their usual big special souvenir matinee Saturday afternoon at 2:30 p. m. The prices are 10 cents with first eight rows reserved at 15 cents.

Ordered Another Election.

The president of the Washington council has called a meeting for tonight for the purpose of holding another election for policemen. At the election recently held the policemen were elected by secret ballot, which was illegal, and as the State constitution specifically provides that borough officials shall be chosen viva voce. Irregularities were claimed and the another election viva voce has been ordered. Charleroi had much the same experience last year in the election of a borough solicitor.

A Just Sentence.

The sentence of a fire boss of one of the coal mines of the county for drunkenness and neglect of duty to imprisonment in the county jail for thirty days should be an impressive lesson. By this neglect the official, whose duty it was to safeguard life and property, put both in jeopardy, and was recreant to the important trust imposed on him. The law very wisely makes a criminal offense of such neglect, and the punishment meted out in this case is a just one.

It is the duty of the fire boss of a mine to make a strict examination in every part of the mine each morning before any of the men enter to begin work. One of the great dangers that constantly threaten the mines of this section is the accumulation of gas in portions of the mines during the night time when the men are not at work, and ventilation is not directed in the same manner as in the day time, when it can be constantly watched. By means of safety lamps an expert can easily detect the presence of gas, and by intelligent ventilation dispel the noxious vapors before the men enter the mine to begin work. It can thus readily be seen how heinous an offense such a neglect of duty would become. The mining inspectors are to be congratulated for their activity in enforcing the mining laws, which are of vital importance to this community.

STOMACH MISERY FOR OVER SIX YEARS

Read what Mr. Hoffman, landlord of the Webster Hotel writes:

"I suffered misery and intense pains from stomach trouble for over six years, and all the doctoring that I did or medicines I used were of no avail until about two years ago, when I used a treatment of Mi-o-na. The first few days' treatment helped me greatly and upon using it awhile I was made entirely free from any stomach trouble or complaint whatever. Since the cure of Mi-o-na I have regained my weight, I eat and sleep well, am never nervous, and my entire general health is much better."

—Max M. Hoffman, Webster, N. Y., Aug. 2, 1909.

Died of Broken Heart.

Sobbing bitterly, her frail frame shaken with grief over the death of the mother she loved and worshipped, little Mary Andrews, aged 3 years, died of a broken heart Monday-afternoon at Mt. Pleasant. There were two funerals instead of one from the Andrews home Tuesday in the township close to Mt. Pleasant. The little girl survived her mother by only a few hours; the final parting was a trial too great for the child to stand.

COUNCILMEN WILL BE AFFECTED BY NEW AMENDMENTS

Three Will Serve Longer
Than Regular Terms owing
to Constitutional Changes.

Not every voter and resident is aware of the extent to which Charleroi is affected by the constitutional amendments adopted by popular vote last fall. There will not be any more spring elections held unless so especially declared by General Assembly, and consequently there will be a general change in municipal affairs. The new law is being put into effect as occasion offers. The election held on February 22 was the last spring election that will be held. By the amendments adopted all terms of city, ward, borough, township and election division officers begin on the first Monday of December, in an odd numbered year. All city, ward, borough and township officers holding office at the date of the approval of the amendments, whose terms of office may end in the year 1911, shall continue to hold their offices until the first Monday of December of that year.

By the preceding paragraph, which is a portion of the schedule adopted along with the amendments, it will be readily seen that the officers whose terms would have ended here next spring will have an extra nine months in which to serve. This affects three councilmen, C. O. Frye, President J. K. Hein and Charles Schmieler. If the school laws are altered to conform with the new constitutional amendments, as they most likely will be, there will be two members of the local school board affected, Ira L. Nickeson and J. M. Hill, who would have to serve from June, 1911, the expiration of their term, until December. If the school laws were not changed it would result in a mixup of the system to some extent, and would prove troublesome for the election officers, if nothing worse.

All the officers including the election officers, and assessors chosen at the last election to offices of two year terms will serve until the first Monday in December, 1911. All officers chosen in February to four year term offices or offices made four years in extent by the schedule, serve until the first Monday of December, 1913. Justices of the peace will serve until the first Monday in December, 1915. The usual term for a justice of the peace will be six years by the new amendment unless there are other provisions in the constitution.

BLUE AND SCARLET ASSOCIATION DANCE

Tonight the Blue and the Scarlet association, composed of members of the Masonic fraternity of this vicinity, will give the third reception and dance at Monessen. The affair will be held in the new Turner Hall, Monessen, and besides dancing there will be cards and refreshments. Music will be furnished by Jenkins' orchestra of Charleroi. The invitations are to Master Masons and their sons under 21 years of age. The committee in charge of the affair is the following men: William Frantz, James B. White, Dr. H. W. Day, W. P. Kirk, J. G. Parke, Jr., J. K. Boyd, G. F. Wright, Dr. E. B. Slotterbeck, A. G. Dunlap, J. D. Chamberlain, Paul E. Teschke, C. S. Duvall, Carey L. Schuck, C. W. Greer, and John S. Duvall.

Miss Samantha Sisley of Fayette City spent yesterday with her sister, Mrs. L. R. Waters.

DONORA MAY HAVE TROUBLE THROUGH ILLEGAL ELECTION

In all probability the election of some officers at Donora will have to be made again, owing to an experience of the same kind that caused Charleroi some trouble last year. The council there met and reorganized on Monday, and proceeded to the election of the various borough officials by secret ballot, which is by constitution illegal. There was a protest by M. Concannon, a councilman, on the election of the police but it went unheeded. Robert Sickles was elected chief, George Ekaitis, John McCabe and George Senear were elected policemen. Some officers were elected by acclamation, and consequently are valid.

NORTH CHARLEROI STATION ENTERED AND BURGLARIZED

For Trouble Bobber Gets 90
Cents--Officers are
Notified.

After doing \$4.13 worth of damage at the North Charleroi station last night or early this morning and taking \$3.99 worth of trouble, a burglar entered and stole 90 cents. The brazen affair was perpetrated when there wasn't any person looking and with all the stealthiness, it is stated, of the biggest bank robbery.

Entry was made through a ticket office window. The burglar climbed on a pile of bricks, conveniently situated, and proceeded to hammer down opposition in the shape of a shutter, and then still finding a circumstance broke it. The window was then unlocked, and the aforesaid burglar crept in. The cash drawer was pried and the bold robber after getting all the "spondulicks" there, peeped around looking for a stray penny. Apparently there were none and although much disappointed, it is thought, the fellow, disappeared. Officers were notified and are diligently as well as stealthily searching for clues.

L. Riggs.....Durin

E. Riggs.....G.....Bosworth
Field goals--Mangan 8, L. Riggs 4, Wilson 11, Oller 1, E. Riggs 1. Blackall 2, Wagner 2. Goals from fouls--L. Riggs 1, Blackall 3, Wagner 5.

Miss Laura E. Lysle entertained the members of her Sunday school class of the First Presbyterian church at her home on McKean avenue last night. The affair was the first of a series of similar social events planned by the Sunday school class of which Miss Tillie Hopkins is teacher.

ONLY FIFTEEN DAYS REMAIN IN WHICH TO WORK FOR BIG PRIZES

By V. H. Austin.
Fifteen days is a very short time, and before you realize it the time will be counted in hours and minutes till the close. Even though the time is short it is sufficient for any live one to get out and win. There are always some sprinters in a race of this kind who make a wonderful showing at the start but as the race continues get troubled with the tired feeling and slow down till the steady workers pass them and leave them wondering how it all happened after the contest is a matter of history.

LEADERS TIE.
In the published list of contestants yesterday the race was a tie for first place. Something that you will not

see in a contest very often at this stage of the game. Such a close race at this time is prophetic of the most exciting sort of a finish. Neck and neck at the three quarter pole it is a cinch that the runner with the longest nose will lead at the wire.

They are all watching each other like pupils and office seekers. It is all in the kindest spirit. They are all fighting hard, but they are playing fair.

SHEARS FREE.
Pay your subscription to one of the contestants and give them the benefit of your votes, and at the same time receive a pair of shears ABSOLUTELY free. The shears offer is for this week.

Alleged Black Hand Men Are Arrested At Mining Village

After a six-mile chase yesterday during which two foreigners were wounded, three Italians suspected of robbing and trying to wreck the home of Joseph Coluck at Marianna early Tuesday morning were captured at Cokeburg.

The men, all from Pittsburg, are Frank Scatella, aged 22, employed at a Pittsburg bowling alley; Ross Kass 22, a barber and Joe Mount, 28, a laborer. During the fight Mount was shot in the left leg and abdomen.

A fourth Italian was wounded and left a trail of blood. The robbery is thought to be the result of a Black Hand plot.

Ed. C. Drum arrived yesterday from Fredericktown, where for several months he has been engaged in business.

LLANELLY CHOIR TO APPEAR BEFORE TAFT WITHIN FEW WEEKS

The extraordinary musical ability of the members of the Llanelly Royal Welsh choir which appears at School hall tonight in a return engagement, has been the subject of much comment wherever the choir has been heard, and as a result the organization is in great demand. Prof. I. T. Daniel on behalf of the Welsh people of the district, was able to secure the choir again only through his influence with the director and members of the choir.

The choir before its return to Wales is to appear by special request before President Taft for a concert. The singers are recognized to be among the best in the world, and enjoy an international reputation. An almost entirely new program will be rendered in Charleroi, although there have been many requests for the same selections during their last appearance here. Prof. Daniel has been requested to have piano solos given, and if he can prevail upon the director and pianist will accommodate the persons making this request.

Stephen Foster's melodies will feature the program tonight, and any admirer of this noted composer's music cannot fail to be pleased.

Seats are being reserved today at Pipers' Pharmacy. The chart will be at School Hall tonight.

Got Second Degree.

The trial of Frank Herman, charged with the murder of H. C. House at Rices Landing last October, ended at Waynesburg yesterday with the jury returning a verdict of murder in the second degree.

Cardon Jameson, a student at Mercersburg Academy, is home for a week's vacation which he will spend with his parents, Mr. and Mrs. W. W. Jameson, of Lincoln avenue.

Prominent Resident of Monongahela Valley Dies of Heart Trouble

William Keys, 62 years old, after a week's illness of heart trouble, preceded by an attack of the grip, died at his home on Washington avenue Wednesday morning 7 at o'clock. The body was taken to Coal Centre today, and the funeral will be held from the M. E. church there Friday morning at 10 o'clock. From Coal Centre the body will be taken to Bellwood, where interment will be. The deceased is survived by his widow, two sons, Herbert at Coal Centre, and Charles of Charleroi, and one daughter, Mrs. William Crites of Charleroi. He was a well known resident of Charleroi, although having resided here but a comparatively short time. He came with his family from Coal Centre where he had resided for years, and settled in Charleroi, about three years ago.

MONESSEN PASTOR ACCEPTS NEW CALL

Rev. F. J. Howard, who on Sunday resigned as pastor of the St. Paul's Evangelical Lutheran church at Monessen, has forwarded his acceptance of and call to Zion's Evangelical Lutheran church at Litchfield, Ill. He will leave with his wife for that place as soon as possible. In Monessen he succeeded Rev. M. M. Albeck who resigned in December 1, 1909. The call came without solicitation on the part of Rev. Howard. He was a popular Monessen pastor.

Bell Telephone Company Putting Out New Directory

The Bell Telephone company is delivering a new directory containing an up-to-date list of subscribers in Charleroi and vicinity. The following notice appears on the cover of the new book:

"Always call by number, thus avoiding wrong connection, delay and the consequent annoyance. Use the numbers published in this directory."

Local Bell employees state that the number of Bell subscribers has increased so rapidly in the last few months that it is no longer possible for the operators, especially new operators, to remember names and numbers. Consequently the practice of calling by name is sure to result in error and confusion.

In order to avoid wrong connection many calls offered by name will be referred to the Information Operator, who will advise the party calling the telephone number of the person called. Such reference means delay and subscribers will save time by calling by number.

In the new book the second page has been ruled to provide a convenient place in which to write the names and number of parties frequently called. The use of this page will save time in looking up numbers.

BEER CASE CONTINUED ONE WEEK BY REQUEST OF DISTRICT ATTORNEY

The case of C. C. Battaglini and Fabrie Baffaello, both of Dunlevy, charged before Justice of the Peace Wilson with the illegal sale of liquor was continued this afternoon upon request of District Attorney C. L. V. Acheson of Washington who was here in the interest of the Commonwealth, until next Friday. County Detective William McCleary is the prosecutor, although Chief of Police C. W. Albright has worked up the case. There is still one man to be arrested in connection with the case, August Berniotti, formerly of Charleroi. Officials of the Victor Brewing company of Jeannette, from which the beer was said to have been secured, with their attorney, Capt. J. E. Kenan, were here.

SUPERIOR COURT SAYS KLEIN MUST GO TO THE PEN

Could Appeal to the Supreme
Court but Will Not
Do So.

Captain John F. Klein of Pittsburg will take no appeal to the Supreme Court from the charge of bribery in connection with the selection of city depositories, upon which he was convicted over a year ago. An appeal on the conspiracy case has been forwarded to Philadelphia for Klein along with other defendants, but if success or failure will not affect the result upon the first charge upon which he was convicted and sentenced.

Klein announced his decision yesterday afternoon, following the conclusion of the trial of Detectives Heron, Van Ness and Donovan on the conspiracy charge which he had caused to be brought against them. His statement was later explained by his attorney, John Marron, that it had been decided that the Superior Court's decision finally disposed of his case.

On the charge of bribery Klein received a sentence of two years, which he will begin serving in a short time. Capt. Klein, who used to run his excursion steamer Island Queen and barge Beauty up the river, is well known in Charleroi and all through this section.

KIRK AND CLARK TO HOLD ANNIVERSARY

Kirk and Clark of the Economic Store will celebrate the eleventh anniversary of their advent into Charleroi as a business firm with a big ten-day anniversary sale, commencing Saturday, March 1. It was eleven years ago that this enterprising dry goods firm began business in Charleroi and how well they have succeeded their big three-story building at 510-512 McKean avenue, which the firm erected for their rapidly increasing trade some time ago, is there to attest.

Following their usual custom in past anniversary sales, the firm will distribute free souvenirs to every adult customer attending the anniversary sale Saturday and Monday. This is a beautifully designed Colonial pattern plate, a most acceptable gift. Every department of the big store will contribute to the wonderful under-priced offerings for the anniversary sale, an annual event with the Economic Store that is eagerly awaited each March by the hundreds of patrons of that reliable institution.

CHARLEROI ELKS ELECT OFFICERS FOR ENSUING YEAR

Appoint Committee of One to
Look After Arrangements
for Attending Convention.

Charleroi Lodge No. 494 B. P. O. Elks last night at their regular meeting elected officers for the ensuing year. W. W. Jameson was appointed a committee of one, to have charge of arrangements for attending the annual convention to be held at Detroit, Mich., the week beginning July 11. It is probable that a number will go from the Charleroi lodge.

The officers elected were: Exalted ruler, Harry C. Hornell; esteemed leading knight, J. Bryant Tussing; esteemed loyal knight, S. K. Long; esteemed lecturing knight, R. J. McKean; secretary, George W. Risbeck; treasurer, T. R. Eagye; tiler, Thomas H. Warrensford; trustee, Charles W. Weltner; representative to grand lodge, Roland W. Brown; alternate representative, J. E. Masters.

The Charleroi lodge increased its membership 46 during the past year, about the average number. The membership now totals 402. The lodge which is one of the best known in the United States, is in good shape.

GOOD ATTRACTIONS LAST THREE DAYS

The Colonial Four, who head the very excellent offering at the Coyle Theatre the last half of this week beginning at today's matinee, are without question one of the greatest quartettes now on the vaudeville stage. Many of the Charleroi Theatre goers have seen this clever act at the Grand in Pittsburg where it created so much favorable comment. The new management at the Coyle deserve to be complimented on their success in securing acts of this kind as the crowded condition of the house amply testify to.

DeLoss and Peal, creators of crazy comedy, are laugh producers of the highest order and will offer their latest skit entitled "Just Hot Air." A musical flirtation entitled "A Dickens of a Mix-up" will be employed by Stewart and Earle, who will sing latest songs incorporated in their laughing comedy skit.

An original comedy juggling act by Billy Dale and Our Mule Made by the Lempe Bros. will complete a program of unusual excellence.

The management has decided to give three shows every Saturday night at 7, 8:15, and 9:30 with their usual big special souvenir matinee Saturday afternoon at 2:30 p. m. The prices are 10 cents with first eight rows reserved at 15 cents.

Ordered Another Election.

The president of the Washington council has called a meeting for tonight for the purpose of holding another election for policemen. At the election recently held the policemen were elected by secret ballot, which was illegal, and as the State constitution specifically provides that borough officials shall be chosen vive voce. Irregularities were claimed and the another election vive voce has been ordered. Charleroi had much the same experience last year in the election of a borough solicitor.

"I suffered misery and intense pains
from stomach trouble for over six
years, and all the doctoring that I did

Vinol

For Weak, Run-Down People.

"I was run down and weak from indigestion and general debility, also suffered from vertigo. I saw a cod liver preparation called Vinol advertised and decided to give it a trial, and the results were most gratifying. After taking two bottles I regained my strength, and am now feeling unusually well." — HENRY CUNNINGHAM, Elder Baptist Church, Kinston, N.C.

Vinol contains the two most world-famed tonics—the medicinal, strengthening, body-building elements of Cod Liver Oil and Tonic Iron. Vinol contains no oil, and is by far the Best Strengthening Tonic obtainable. We return your money without question if Vinol does not accomplish all we claim for it.

Beware of Ointments for Catarrh that Contain Mercury,

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surface. Such articles should never be used except on prescription from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sent by Druggists. Price, 75c per bottle. Take Hall's Family Pills for constipation.
